

High School English Booster

Online English Tutoring for Students in Primary and Secondary School

The High School English Booster course is an online English tutoring class for primary and secondary school students. Classes start in the evening and are offered two times per week, to minimise conflict with school commitments. Students will be taught by a highly qualified Australian teacher, focusing on improving English skills such as speaking, reading, writing, listening, grammar and pronunciation.

What English skills and topics will I learn?

- Speaking
- Reading
- Writing
- Listening
- Grammar
- Pronunciation
- Vocabulary
- Spelling

What is the minimum student age for this class?

The minimum acceptable student age for this online tutoring class is 10 years old.

How many hours per week will I study?

Students will attend two online classes per week. Each class is 1.5 hours, totalling 3 hours class time per week.
